INDUSTRY CATEGORIZATION

List of Red Category Industries

- 1) Airports and Commercial Strips
- 2) Aluminium Smelter
- 3) Asbestos and asbestos based industries
- 4) Automobiles Manufacturing (integrated facilities)
- 5) Basic chemicals and electro chemical and its derivatives including manufacture of acids
- 6) Ceramic, Refractories
- 7) Cement
- 8) Chlor Alkali
- 9) Chlorates, perchlorates and peroxides
- 10) Chlorine, fluorine, bromine, iodine and their compounds
- 11) Coal Washeries
- 12) Copper Smelter
- 13) Coke making, liquefaction, coal tar distillation or fuel gas making
- 14) Common Treatment and disposal facilities (CETP, TSDF, E-Waste recycling, CBMWTF. Effluent conveyance project, incinerators, Solvent/Acid recovery plant, MSW sanitary land sites, STP)
- 15) Distillery including fermentation industry
- 16) Dyes and Dye-Intermediaries
- 17) Dry coal processing/ mineral processing, industries involving ore sintering, palletisation, grinding, pulverization
- 18) Emulsion of oil and water
- 19) Fermentation industry including manufacture of yeast, beer, distillation of alcohol (ENA)
- 20) Fertilizer (basic) excluding formulation
- 21) Ferrous and non-ferrous metal extraction involving different furnaces through melting, refining, reprocessing, casting and alloy making
- 22) Fibre glass production and processing (Excluding moulding)
- 23) Fire crackers manufacturing and bulk storage facilities
- 24) Flakes from rejected PET bottle
- 25) Fly ash export, transport and disposal facilities
- 26) Healthcare establishment (as defined in BMW rules)
- 27) Heavy engineering including Ship building (with investment on plant and machineries more than Rs 10 crore)
- 28) Hot mix plants
- 29) Hotels (3 star and above) and Hotels having 100 rooms and above

- 30) Hydrocyanic acid and its derivatives
- 31) Industrial carbon including electrodes and graphite blocks, activated carbon, carbon black
- 32) Industrial estates/parks/complexes/areas/export processing zones/SEZs/ Biotech parks/ leather complex
- 33) Industrial inorganic gases namely:
 - a. Chemical gases: Acetylene, hydrogen, chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphide
 - b. Hydrocarbon gases: Methane, ethane, propane
- 34) Industries engaged in recycling/reprocessing/recovery/reuse of hazardous waste under schedule IV of hazardous waste (M, H&TM) rules, 2008 and its amendments
- 35) Industry or process involving foundry operations
- 36) Industry or process involving metal surface treatment or process such as pickling/ plating/ electroplating/paint stripping/heat treatment/phosphating or finishing and anodising/ enamelling/ galvanising
- 37) Iron and steel (involving process from ore/ integrated steel plants and or sponge iron units)
- 38) Isolated storage of hazardous chemicals (as per schedule of Manufacture, storage and import of hazardous chemicals Rules 1989, as amended)
- 39) Lead acid battery manufacturing (excluding assembling and charging of acid lead battery in micro scale (< Rs 25 Lakhs))
- 40) Lime manufacturing (using Lime Kiln)
- 41) Manufacturing of explosives, detonators, fuses including management and handling activities
- 42) Manufacturing of glass
- 43) Manufacturing of Glue and gelatin
- 44) Manufacturing of lubricating oils, greases or petroleum based products
- 45) Manufacturing of paints, varnishes, pigments and intermediate (excluding blending/mixing)
- 46) Manufacture of Starch/saggo
- 47) Milk processing and dairy products (integrated project)
- 48) Mineral stack yards/ Railway sidings
- 49) Mining and ore beneficiation
- 50) New highway construction projects
- 51) Non Alcoholic beverage (soft drink) & bottling of alcoholic/non alcoholic products (capital investment on plant & machinery > Rs 1 crore)
- 52) Nuclear Power plants
- 53) Oil and gas extraction including CBM (offshore & onshore extraction through drilling wells)
- 54) Oil and gas transportation pipeline
- 55) Oil refinery (Mineral Oil or Petro Refineries)

- 56) Organic Chemicals manufacturing
- 57) Parboiled rice mills (more than 10 TPD)
- 58) Pesticides (Technical) excluding formulation
- 59) Petrochemicals (Manufacture of and not merely use of as raw material)
- 60) Pharmaceuticals (excluding formulation)
- 61) Pulp and paper (paper manufacturing with or without pulping)
- 62) Phosphate rock processing plant
- 63) Phosphorous and its compounds
- 64) Photographic films and its chemicals
- 65) Ports & Harbours, jetties and dredging operations
- 66) Power generation plants (except wind, solar and mini hydel power plants of capacity <25 MW) and DG sets of capacity >5 MVA
- 67) Processes involving chlorinated hydrocarbons
- 68) Railway Locomotive workshops /integrated Road Transport workshop/ authorized service centres
- 69) Reprocessing of used oils and waste oils
- 70) Ship breaking activities
- 71) Slaughter houses(as per notification S.O. 270(E) dated 26.03.2001) and meat processing industries, bone mill, processing of animal horns, hoofs and other body parts
- 72) Steel and steel products using various furnaces like blast furnaces/ open hearth furnace/ induction furnace/ arc furnace/ submerged arc furnace / basic oxygen furnace/ hot rolling using reheating furnaces
- 73) Stone crushers
- 74) Sugar (excluding khandsari)
- 75) Surgical and medical products involving prophylactics and latex
- 76) Synthetic detergents and soaps (excluding formulation)
- 77) Synthetic fibres including rayon, tyre cord, polyster filament yarn
- 78) Synthetic resins
- 79) Synthetic rubber excluding molding
- 80) Tanneries
- 81) Thermal power plants
- 82) Tobacco products including cigarettes and tobacco/ opium processing
- 83) Vegetable oils including solvent extraction and refinery/ hydrogenated oils
- 84) Yarn/ textile processing involving any effluent/emission generating process, bleaching, dyeing, printing and scouring
- 85) Zinc Smelter

Any industry/industrial activity which is not covered in above list having coal fired boiler with steam generation capacity more than 5 T/hr will be covered under red Category

List of Green Category Industries

- 1) Assembling of Acid lead battery (upto 10 batteries per day excluding lead plate casting)
- 2) Aluminium utensils from aluminium circles
- 3) Assembly of air coolers/conditioners, repairing and servicing
- 4) Assembly of bicycles, baby carriage and other small non-motorised vehicles
- 5) Automobile fuel outlet (only dispensing)
- 6) Ayurvedic and Homeopathic medicine (without boiler)
- 7) Bailing (hydraulic press) of waste papers
- 8) Bakery/Confectionery/Sweets production (with production capacity < 1tpd with oil, gas or electrical oven)
- 9) Bio fertilizer & bio-pesticide without using inorganic chemicals
- 10) Biomass Briquettes (sun drying) without using toxic or hazardous wastes
- 11) Biscuit trays etc. from rolled PVC sheet (using automatic vacuum forming machine)
- 12) Blending and packaging of Tea
- 13) Blending of melamine resins & different powder, additives by physical mixing
- 14) Block making for printing without foundry (excluding wooden block making)
- 15) Brass & Bell metal utensils manufacturing from circle (without re-rolling facility)
- 16) Candy
- 17) Cardboard or corrugated box and paper products (excluding paper or pulp manufacturing and without using boiler)
- 18) Carpentry and wooden furniture manufacturing (excluding saw mill) with the help of electrical (motorized) machines such as electric wood planner, steel saw cutting circular blade etc
- 19) Cement products (without using Asbestos) like pipe, pillar, jafri, well ring, blocks/tiles etc. (should be done under closed covered shed to control fugitive emissions)
- 20) Ceramic colour manufacturing (not using boiler and wastewater recycling process)
- 21) Chalk making from plaster of paris
- 22) Chilling plant and Ice making without use of ammonia
- 23) Coated electrode manufacturing
- 24) Compact disc, computer floppy & cassette manufacturing
- 25) Compressed oxygen gas from crude liquid oxygen
- 26) CO2 recovery

- 27) Cotton and woolen hosiery making (SSI & Cottage industries)
- 28) Cotton spinning & weaving (small scale)
- 29) Decoration of ceramic cups & plates by electric furnace
- 30) Diesel Generator sets (15 KVA to 1 MVA)
- 31) Diesel pump repairing & servicing
- 32) Distilled water
- 33) Electric lamp (bulb) manufacturing (small scale)
- 34) Electrical & electronic items assembling
- 35) Flavoured bottle nut production/grinding
- 36) Flour mills (dry process)
- 37) Fly ash bricks/blocks manufacturing
- 38) Fountain pen manufacturing
- 39) Glass ampules & vials making from glass tubes
- 40) Glass Putty and sealant
- 41) Glass, ceramic, earthen potteries and tile manufacturing using electrical kiln or not involving fossil fuel kilns
- 42) Gold and Silver smithy (purification with acid, smelting operation and Sulfuric acid polishing ,operation) (using less than or equal to 1 litre of Sulphuric Acid / Nitric Acid per month)
- 43) Groundnut decorticating (dry)
- 44) Handloom/ Carpet weaving (without dyeing and bleaching operation)
- 45) Hotels (upto 20 rooms)
- 46) Insulation and other coated papers (excluding paper or pulp manufacturing) manufacturing
- 47) Jobbing and Machining
- 48) Leather cutting and stitching (more than 10 machines and using motor)
- 49) Leather footwear and leather products (excluding tanning and hide processing) (except cottage scale)
- 50) Lubricating oils, greases or petroleum based products (only blending at normal temperature)
- 51) Manufacturing of coir items from coconut husk
- 52) Manufacturing of metal caps, containers etc
- 53) Manufacturing of optical lenses (using electrical furnace)
- 54) Manufacturing of pasted veneers without using boiler or Thermic Fluid Heater or by sundrying
- 55) Manufacturing of shoe brush & wire brush
- 56) Manufacturing of silica gel (without furnace)
- 57) Medical oxygen
- 58) Mineralized Water
- 59) Oil mill ghani & extraction (no hydrogenation/refining)
- 60) Organic and inorganic nutrients (by physical mixing)
- 61) Organic manure (manual mixing)

- 62) Paints and varnishes (mixing and blending) (without ball mill)
- 63) Packing of powdered milk
- 64) Paper pins and U-clips
- 65) Phenyl/ Toilet cleaner formulation & Bottling
- 66) Reel manufacturing
- 67) Polythene & plastic processed products manufacturing (virgin plastics)
- 68) Poultry, hatchery, piggery
- 69) Power looms (without dyeing and/bleaching)
- 70) Printing press
- 71) Puffed rice (muri) (using oil, gas or electrical heating system)
- 72) Ready mix cement concrete
- 73) Reprocessing of waste cotton
- 74) Rope (Cotton & Plastic)
- 75) Rubber goods industry (with baby boiler only)
- 76) Scientific and mathematical instruments manufacturing
- 77) Soap manufacturing (Handmade without steam boiling)
- 78) Solar module (Non-conventional energy apparatus) manufacturing unit
- 79) Solar power generation through photovoltaic cell, wind power & mini hydel power(< 25 MW)
- 80) Spice minding (< 20 HP motor)
- 81) Steel furniture without spray painting
- 82) Steeping and processing of grains
- 83) Surgical and medical products not involving effluent/emission generating processes
- 84) Synthetic detergent formulation
- 85) Teflon based products
- 86) Tyres and tubes retreading (without boiler)

List of Orange Category Industries

- 1) Almirah, Grill Manufacturing
- 2) Aluminium and copper extraction from scrap using oil fired furnace
- 3) Automobile servicing, repairing and painting (excluding only fuel dispensing)
- 4) Ayuradic and Homeopathic medicine
- 5) Bakery & confectionery units with production capacity >1 tpd
- 6) Biaxially oriented PP film along with metalising operation
- 7) Brickfields (excluding fly ash brick manufacturing using lime process)
- 8) Building & construction projects more than 20,000 Sq. mtr built up area
- 9) Cashew nut processing
- 10) Chanachur and laddoo from puffed and beaten rice (muri and chira using husk fired oven)

- 11) Chilling plant, cold storage and Ice making
- 12) Coffee seed processing
- 13) Coke briquetting (sun drying)
- 14) Cotton spinning and weaving (medium and large scale)
- 15) Cutting, sizing and polishing of Marble stones
- 16) Dairy and dairy products (small scale) (capital investment on plant & machinery < Rs 1 crore)
- 17) Dal mills
- 18) DG Sets of capacity >1 MVA but <5 MVA
- 19) Digital printing on PVC cloth
- 20) Dismantling of rolling stocks (wagons/coaches)
- 21) Dry cell battery (excluding manufacturing of electrodes) & assembling and charging of acid lead battery in micro scale (< Rs 25 Lakhs)
- 22) Emery powder (fine dust of sand) manufacturing
- 23) Engineering and fabrication units (With investment on Plant & Machinery < Rs 10 Crores)
- 24) Excavation of sand from the river bed (excluding manual excavation)
- 25) Facility of handling ,storage and transportation of food grains in bulk
- 26) Fertiliser (granulation and formulation only)
- 27) Fish feed, poultry feed and cattle feed
- 28) Fish processing and packaging (excluding chilling of fish)
- 29) Foam manufacturing
- 30) Food & food processing including fruits & vegetable processing
- 31) Forging of ferrous & non-ferrous metal (using oil or gas fired boilers)
- 32) Formulation/palletization of camphor tablets, naphthalene balls from camphor/naphthalene powders
- 33) Glass, ceramic, earthen potteries and tile manufacturing using oil or gas fired kiln, Coating on glasses using cerium fluoride, magnesium fluoride etc
- 34) glue from starch (physical mixing)
- 35) Gravure printing, digital printing on flex, vinyl
- 36) Heat treatment using oil fired furnace (excluding cyaniding)
- 37) Hotels (Less than 3 star) or hotels having > 20 rooms and less than 100 rooms
- 38) Ice cream
- 39) Infrastructure development project
- 40) Jute processing without dyeing
- 41) Liquid floor cleaner, black phenyl, liquid soap, glyserol monostearate manufacturing
- 42) Manufacture of mirror from sheet glass
- 43) Manufacturing of iodized salt from crude/raw salt
- 44) Manufacturing of mosquito repellent coil

- 45) Manufacturing of tooth powder, toothpaste, talcum powder and other cosmetic items
- 46) Mechanized laundry using oil fired boiler
- 47) Modular wooden furniture from particle board, MDF, swan timber etc, Ceiling tiles/ partition board from saw dust, wood chips etc. & other agricultural waste using synthetic adhesive resin, wooden box making
- 48) Packing materials manufacturing from non-asbestos fibre, vegetable fibre yarn
- 49) Paint blending & mixing (Ball mill)
- 50) Pharmaceutical formulation and for R&D purpose(for sustained release/extended release of drugs only and not for commercial purpose)
- 51) Plyboard manufacturing (including vineer & laminate) with oil fired boiler/thermic fluid heater (without resin plant)
- 52) Potable alcohol (IMFL) by blending, bottling of alcoholic products (capital investment on plant & machinery < r 1 crore)
- 53) Power press
- 54) Printing ink manufacturing
- 55) Printing or etching of glass sheet using hydrofluoric acid
- 56) Producer gas plant using conventional up-draft coal gasification (linked to rolling mills, glass and ceramic industry, refractories for dedicated fuel supply)
- 57) Pulverisation of bamboo and scrap wood
- 58) Repairing of electric motor & generator
- 59) Reprocessing of waste plastic (excluding PVC)
- 60) Rice mill less than 10 TPD & rice hullers
- 61) Rolling Mill (oil or gas fired) and cold Rolling mill
- 62) Saw mill
- 63) Seasoning of wood in steam heated chamber
- 64) Silk screen printing, Saree printing by wooden blocks
- 65) Spice grinding (> 20 HP motor)
- 66) Spray painting, paint baking, paint stripping
- 67) Tamarind powder manufacturing
- 68) Tea processing
- 69) Thermocol manufacturing
- 70) Thermometer making
- 71) Transformer repairing/manufacturing
- 72) Tyres and tubes vulcanization/hot retreading
- 73) Wire drawing & Wire netting

Annexure II

THE WATER (PREVENTION AND CONTROL OF POLLUTION) ACT, 1974

[NO. 6 OF 1974]

[23rd March, 1974.]

An Act to provide for the prevention and control of water pollution and the maintaining or restoring of wholesomeness of water, for the establishment, with a view to carrying out the purposes aforesaid, of Boards for the prevention and control of water pollution, for conferring on and assigning to such Boards powers and functions relating thereto and for matters connected therewith.

WHEREAS it is expedient to provide for the prevention and control of water pollution and the maintaining or restoring of wholesomeness of water, for the establishment, with a view to carrying out the purposes aforesaid, of Boards for the prevention and control of water pollution and for conferring on and assigning to such Boards powers and functions relating thereto;

AND WHEREAS Parliament has no power to make laws for the States with respect to any of the matters aforesaid except as provided in articles 249 and 250 of the Constitution;

AND WHEREAS in pursuance of clause (1) of article 252 of the Constitution resolutions have been passed by all the Houses of the Legislatures of the States of Assam, Bihar, Gujarat, Haryana, Himachal Pradesh, Jammu and Kashmir, Karnataka, Kerala, Madhya Pradesh, Rajasthan, Tripura and West Bengal to the effect that the matters aforesaid should be regulated in those States by Parliament by law;

BE it enacted by Parliament in the Twenty-fifth year of Republic of India as follows:-

CHAPTER I

PRELIMINARY

1. SHORT TITLE, APPLICATION AND COMMENCEMENT.

(1) This Act may be called the Water (Prevention and Control of Pollution) Act, 1974.

(2) It applies in the first instance to the whole of the States of Assam, Bihar, Gujarat, Haryana, Himachal Pradesh, Jammu and Kashmir, Karnataka, Kerala, Madhya Pradesh, Rajasthan, Tripura and West Bengal and the Union Territories; and it shall apply to such other State which adopts this Act by resolution passed in that behalf under clause (1) of article 252 of the Constitution.

(3) It shall come into force, at once in the States of Assam, Bihar, Gujarat, Haryana, Himachal Pradesh, Jammu and Kashmir, Karnataka, Kerala, Madhya Pradesh, Rajasthan, Tripura and West Bengal and in the Union territories, and in any other State which adopts this Act under clause (1) of article 252 of the Constitution on the date of such adoption and any reference in this Act to the commencement of this Act shall, in relation to any State or Union territory, mean the date on which this Act comes into force in such State or Union territory.

2. DEFINITIONS.

In this Act, unless the context otherwise requires,-

(a) "Board" means the Central Board or a State Board;

¹[(b) "Central Board" means the Central Pollution Control Board Constituted under section 3;]

(c) "member" means a member of a Board and includes the chairman thereof;

²[(d) "occupier", in relation to any factory or premises, means the person who has control over the affairs of the factory or the premises, and includes, in relation to any substance, the person in possession of the substance;]

³[(dd) "outlet" includes any conduit pipe or channel, open or closed carrying sewage or trade effluent or any other holding arrangement which causes or is likely to cause, pollution;]

(e) "pollution" means such contamination of water or such alteration of the physical, chemical or biological properties of water or such discharge of any sewage or trade effluent or of any other liquid, gaseous or solid substance into water (whether directly or indirectly) as may, or is likely to, create a nuisance or render such water harmful or injurious to public health or safety, or to domestic, commercial, industrial, agricultural or other legitimate uses, or to the life and health of animals or plants or of aquatic organisms;

(f) "prescribed" means prescribed by rules made under this Act by the Central Government or, as the case may be, the State Government;

(g) "sewage effluent" means affluent from any sewerage system or sewage disposal works and includes sullage from open drains;

¹ Subs. by Act 53 of 1988, s. 2 for cls. (b), (d) and (h).

² Ins. by Act 44 of 1978, s. 2.

³ Subs by Act 53 of 1988, s. 2, for "trade or industry".

¹[(gg) "sewer" means any conduit pipe or channel, open or closed, carrying sewage or trade effluent;]

²[(h) "State Board" means a State Pollution Control Board constituted under section 4];

(i) "State Government" in relation to a Union territory means the Administrator thereof appointed under article 239 of the Constitution;

(j)"stream" includes-

(i) river;

(ii) water course (whether flowing or for the time being dry);

(iii) inland water (whether natural or artificial);

(iv) sub-terranean waters;

(v) sea or tidal waters to such extent or, as the case may be, to such point as the State Government may, by notification in the Official Gazette, specify in this behalf;

(k) "trade effluent" includes any liquid, gaseous or solid substance which is discharged from any premises used for carrying on any ³[Industry, operation or process, or treatment and disposal system], other than domestic sewage.

CHAPTER II

THE CENTRAL AND STATE BOARDS FOR PREVENTION AND CONTROL OF WATER POLLUTION

3. CONSTITUTION OF CENTRAL BOARD.

(1) The Central Government shall, with effect from such date (being a date not later than six months of the commencement of this Act in the States of Assam, Bihar, Gujarat, Haryana, Himachal Pradesh, Jammu and Kashmir, Karnataka, Kerala, Madhya Pradesh, Rajasthan, Tripura and West Bengal and in the Union territories) as it may, by notification in the Official Gazette, appoint, constitute a Central Board to be called the ⁴[Central Pollution Control Board] to exercise the powers conferred on and perform the functions assigned to that Board under this Act.

Board shall exercise the powers and perform the functions of a State Board for that Union territory:

Provided that in relation to an Union territory the Central Board may delegate all or any of its powers and functions under this sub-section to such person or body of persons as the Central Government may specify.

5. TERMS AND CONDITIONS OF SERVICE OF MEMBERS.

(1) Save as otherwise provided by or under this Act, a member of a Board, other than, a member-secretary, shall hold office for a term of three years from the date of his nomination:

Provided that a member shall, notwithstanding the expiration of his term, continue to hold office until his successor enters upon his office.

¹[(2) The term of office of a member of a Board nominated under clause (b) or clause (e) of sub-section (2) of Section 3 or clause (b) or clause (e) of sub-section (2) of section 4 shall come to an end as soon as he ceases to hold the office under the Central Government or the State Government or, as the case may be, the company or corporation owned, controlled or managed by the Central Government or the State Government, by virtue of which he was nominated.]

(3) The Central Government or, as the case may be, the State Government may, if it thinks fit, remove any member of a Board before the expiry of his term of office, after giving him a reasonable opportunity of showing cause against the same.

(4) A member of a Board, other than the member-secretary, may at any time resign his office by writing under his hand addressed—

(a) in the case of chairman, to the Central Government or, as the case may be, the State Government; and

(b) in any other case, to the chairman of the Board; and the seat of the chairman or such member shall thereupon become vacant.

(5) A member of a Board, other than the member-secretary, shall be deemed to have vacated his seat if he is absent without reason, sufficient in the opinion of the Board, from three consecutive meetings of the Board, ²[or where he is nominated under clause (c) or clause (e) of sub-section (2) of section (3) or under clause (c) or clause (e) of sub-section (2) of section 4, if he ceases to be a member of the State Board or of the local authority or, as the case may be, of the company or corporation owned,

² Subs. by s. 5, *ibid*, for certain words.

controlled or managed by the Central Government or the State Government and such vacation of seat shall, in either case, take effect from such date as the Central Government or, as the case may be, the State Government may, by notification in the Official Gazette, specify.]

(6) A casual vacancy in a Board shall be filled by a fresh nomination and the person nominated to fill the vacancy shall hold office only for the remainder of the term for which the member in a whose place he was nominated.

(7) A member of a Board ¹[shall be eligible for renomination].

(8) The other terms and conditions of service of a member of a Board, other than the chairman and member-secretary, shall be such as may be prescribed.

(9) The other terms and conditions of service of the chairman shall be such as may be prescribed.

6. DISQUALIFICATIONS.

(1) No person shall be a member of a Board, who-

(a) is, or at any time has been adjudged insolvent or has suspended payment of his debts or has compounded with his creditors, or

(b) is of unsound mind and stands so declared by a competent court, or

(c) is, or has been, convicted of an offence which, in the opinion of the Central Government or, as the case may be, of the State Government, involves moral turpitude, or

(d) is, or at any time has been, convicted of an offence under this Act, or

(e) has directly or indirectly by himself or by any partner, any share or interest in any firm or company carrying on the business of manufacture, sale or hire of machinery, plant, equipment, apparatus or fittings for the treatment of sewage or trade effluents, or

(f) is a director or a secretary, manager or other salaried officer or employee of any company or firm having any contract with the Board, or with the Government constituting the Board, or with a local authority in the State, or with a company or corporation owned, controlled or managed by the Government, for the carrying out of sewerage schemes or for the installation of plants for the treatment of sewage or trade effluents, or

¹ Subs by Act 53 of 1988, s. 5, for "shall not be eligible for renomination for more than two terms".

(g) has so abused, in the opinion of the Central Government or as the case may be, of the State Government, his position as a member, as to render his continuance on the Board detrimental to the interest of the general public.

(2) No order of removal shall be made by the Central Government or the State Government, as the case may be, under this section unless the member concerned has been given a reasonable opportunity of showing cause against the same.

(3) Notwithstanding anything contained in sub-section (1) and (7) of section 5, a member who has been removed under this section shall not be eligible for renomination as a member.

7. VACATION OF SEAT BY MEMBERS.

If a member of a Board becomes subject to any of the disqualifications specified in section 6, his seat shall become vacant.

8. MEETINGS OF BOARDS.

A Board shall meet at least once in every three months and shall observe such rules of procedure in regard to the transaction of business at its meetings as may be prescribed:

Provided that if, in the opinion of the chairman, any business of an urgent nature is to be transacted, he may convene a meeting of the Board at such time as he thinks fit for the aforesaid purpose.

9. CONSTITUTION OF COMMITTEES.

(1) A Board may constitute as many committees consisting wholly of members or wholly of other persons or partly of members and partly of other persons, and for such purpose or purposes as it may think fit.

(2) A committee constituted under this section shall meet at such time and at such place, and shall observe such rules of procedure in regard to the transaction of business at its meetings, as may be prescribed.

(3) The members of a committee (other than the members of Board) shall be paid such fees and allowances, for attending its meetings and for attending to any other work of the Board as may be prescribed.

10. TEMPORARY ASSOCIATION OF PERSONS WITH BOARD FOR PARTICULAR PURPOSES.

(1) A Board may associate with itself in such manner, and for such purposes, as may be prescribed any person whose assistance or advice it may desire to obtain in performing any of its functions under this Act.

(2) A person associated with the Board under sub-section (1) for any purpose shall have a right to take part in the discussions of the Board relevant to that purpose, but shall not have a right to vote at a meeting of the Board, and shall not be a member for any other purpose.

¹[(3) A person associated with the Board under sub-section (1) for any purpose shall be paid such fees and allowances, for attending its meetings and for attending to any other work of the Board, as may be prescribed.]

11. VACANCY IN BOARD NOT TO INVALIDATE ACTS OR PROCEEDINGS.

No act or proceeding of a Board or any committee thereof shall be called in question on the ground merely of the existence of any vacancy in, or any defect in the constitution of, the Board or such committee, as the case may be.

²[11A.DELEGATION OF POWERS TO CHAIRMAN.

The chairman of a Board shall exercise such powers and perform such duties as may be prescribed or as may, from time to time, be delegated to him by the Board.]

12. MEMBER-SECRETARY AND OFFICERS AND OTHER EMPLOYEES OF BOARD.

(1) Terms and conditions of service of the member-secretary shall be such as may be prescribed.

(2) The member-secretary shall exercise such powers and perform such duties as may be prescribed or as may, from time to time, be delegated to him by the Board or its chairman.

(3) Subject to such rules as may be made by the Central Government or, as the case may be, the State Government in this behalf, a Board may appoint such officers and employees as it considers necessary for the efficient performance of its functions.

³ Certain words omitted by s. 8, *ibid*

¹[(3A) The method of recruitment and the terms and conditions of service (including the scales of pay) of the officers (other than the member-secretary) and other employees of the Central Board or a State Board shall be such as may be determined by regulations made by the Central Board or, as the case may be, by the State Board:

Provided that no regulation made under this sub-section shall take effect unless, –

(a) in the case of a regulation made by the Central Board, it is approved by the Central Government; and

(b) in the case of a regulation made by a State Board, it is approved by the State Government.]

²[(3B) The Board may, by general or special order, and subject to such conditions and limitations, if any, as may be specified in the order, delegate to any officer of the Board such of its powers and functions under this Act as it may deem necessary.]

(4) Subject to such conditions as may be prescribed, a Board may from time to time appoint any qualified person to be a consulting engineer to the Board and pay him such salaries and allowances and subject him to such other terms and conditions of service as it thinks fit.

CHAPTER III

JOINT BOARDS

13. CONSTITUTION OF JOINT BOARD.

(1) Notwithstanding anything contained in this Act, an agreement may be entered into-

(a) by two or more Governments of contiguous States, or

(b) by the Central Government (in respect of one or more Union territories) and one or more Government of State Government contiguous to such Union territory or Union territories, to be in force for such period and to be subject to renewal for such further period if any, as may be specified in the agreement to provide for the constitution of a Joint Board, –

(i) in a case referred to in clause (a), for all the participating States, and

(ii) in a case referred to in clause (b), for the participating Union territory or Union territories and the State or States.

¹ Ins. by Act 44 of 1978, s. 8.

² Ins. by Act 53 of 1988; s. 6.

(2) An agreement under this section may --

(a) provide, in a case referred to in clause (a) of sub-section (1), for the apportionment between the participating States and in a case referred to in clause (b) of that sub-section, for the apportionments between the Central Government and the participating State Government or State Governments, of the expenditure in connection with the Joint Board;

(b) determine, in a case referred to in clause (a) of sub-section (1), which of the participating State Governments and in a case referred to in clause (b) of that sub-section, whether the Central Government or the participating State Government (if there are more than one participating State, also which of the participating State Governments) shall exercise and perform the several powers and functions of the State Government under this Act and the references in this Act to the State Government shall be construed accordingly;

(c) provide for consultation, in a case referred to in clause (a) of sub-section (1), between the participating State Governments and in a case referred to in clause (b) of that sub-section, between the Central Government and the participating State Government or State Governments either generally or with reference to particular matters arising under this Act;-

(d) make such incidental and ancillary provisions, not inconsistent with this Act, as may be deemed necessary or expedient for giving effect to the agreement.

(3) An agreement under this section shall be published, in a case referred to in clause (a) of sub-section (1), in the Official Gazette of the participating States and in a case referred to in clause (b) of that sub-section, in the Official Gazette of participating Union territory or Union territories and participating State or States.

14. COMPOSITION OF JOINT BOARDS.

(1) A Joint Board constituted in pursuance of an agreement entered into under clause (a) of sub-section (1) of section 13 shall consist of the following members, namely:-

(a) a full-time chairman, being a person having special knowledge or practical experience in respect of ¹[matters relating to environmental protection] or a person having knowledge and experience in administering institutions dealing with the matters aforesaid, to be nominated by the Central Government;

¹ Subs. by Act 44 of 1978, s. 9, for certain words.

(b) two officials from each of the participating States to be nominated by the concerned participating State Government to represent that Government;

(c) one person to be nominated by each of the participating State Governments from amongst the members of the local authorities functioning within the State concerned;

(d) one non-official to be nominated by each of the participating State Governments to represent the interests of agriculture, fishery or industry or trade in the State concerned or any other interest which, in the opinion of the participating State Government, is to be represented;

(e) two persons to be nominated by the Central Government to represent the companies or corporations owned, controlled or managed by the participating State Government;

¹[(f) a full-time member-secretary, possessing qualifications, knowledge and experience of scientific, engineering or management aspects of pollution control, to be appointed by the Central Government.]

(2) A Joint Board constituted in pursuance of an agreement entered into under clause (b) of sub-section (1) of section 13 shall consist of the following members, namely:-

(a) a full-time chairman, being a person having special knowledge or practical experience in respect of ²[matters relating to environmental protection] or a person having knowledge and experience in administering institutions dealing with the matters aforesaid, to be nominated by the Central Government;

(b) two officials to be nominated by the Central Government from the participating Union territory or each of the participating union territories, as the case may be, and two officials to be nominated, from the participating State or each of the participating States, as the case may be by the concerned participating State Government;

(c) one person to be nominated by the Central Government from amongst the members of the local authorities functioning within the participating Union territory or each of the participating Union territories, as the case may be and one person to be nominated, from amongst the members of the local authorities functioning within the participating State or each of the participating States, as the case may be, by the concerned participating State Government;

¹ Subs. by Act 53 of 1988, s. 7 for cl. (f).

² Subs. by Act 44 of 1978, s. 9, for certain words.

(d) one non-official to be nominated by the Central Government and one person to be nominated by the participating State Government or State Governments to represent the interests of agriculture, fishery or industry or trade in the Union territory or in each of the Union territories or the State or in each of the States, as the case may be, or any other interest which in the opinion of the Central Government or, as the case may be, of the State Government is to be represented.

(e) two persons to be nominated by the Central Government to represent the companies or corporations owned, controlled or managed by the Central Government and situate in the participating Union territory or territories and two persons to be nominated by Central Government to represent the companies or corporations owned, controlled or managed by the participating State Governments;

¹[(f) a full-time member-secretary, possessing qualifications, knowledge and experience of scientific, engineering or management aspects of pollution control, to be appointed by the Central Government.]

(3) When a Joint Board is constituted in pursuance of an agreement under clause (b) of sub-section (1) of section 13, the provisions of sub-section (4) of section 4 shall cease to apply in relation to the Union territory for which the Joint Board is constituted.

(4) Subject to the provisions of sub-section (3), the provisions of sub-section (3) of section 4 and sections 5 to 12 (inclusive) shall apply in relation to the Joint Board and its member-secretary as they apply in relation to a State Board and its member-secretary.

(5) Any reference in this Act to the State Board shall, unless the context otherwise requires, be construed as including a Joint Board.

15. SPECIAL PROVISION RELATING TO GIVING OF DIRECTIONS.

Notwithstanding anything contained in this Act where any Joint Board is constituted under section 13, -

(a) the Government of the State for which the Joint Board is constituted shall be competent to give any direction under this Act only in cases where such direction relates to a matter within the exclusive territorial jurisdiction of the State;

(b) the Central Government alone shall be competent to give any direction under this Act where such direction relates to a matter within the territorial jurisdiction of two or more States or pertaining to a Union territory.

¹ Subs. by Act 53 of 1988, s. 7, for cl. (f).

CHAPTER IV

POWERS AND FUNCTIONS OF BOARDS

16. FUNCTIONS OF CENTRAL BOARD.

(1) Subject to the provisions of this Act, the main function of the Central Board shall be to promote cleanliness of streams and wells in different areas of the States.

(2) In particular and without prejudice to the generality of the foregoing function, the Central Board may perform all or any of the following functions, namely:--

(a) advise the Central Government on any matter concerning the prevention and control of water pollution;

(b) co-ordinate the activities of the State Boards and resolve disputes among them;

(c) provide technical assistance and guidance to the State Boards, carry out and sponsor investigations and research relating to problems of water pollution and prevention, control or abatement of water pollution;

(d) plan and organise the training of persons engaged or to be engaged in programmes for the prevention, control or abatement of water pollution on such terms and conditions as the Central Board may specify;

(e) organise through mass media a comprehensive programme regarding the prevention and control of water pollution;

¹[(ee) perform such of the functions of any State Board as may be specified in an order made under sub-section (2) of section 18];

(f) collect, compile and publish technical and statistical data relating to water pollution and the measures devised for its effective prevention and control and prepare manuals, codes or guides relating to treatment and disposal of sewage and trade effluents and disseminate information connected therewith;

(g) lay down, modify or annul, in consultation with the State Government concerned, the standards for a stream or well:

Provided that different standards may be laid down for the same stream or well or for different streams or wells, having regard to the quality of water, flow characteristics of the stream or well and the nature of the use of the water in such stream or well or streams or wells;

¹ Ins. by Act 53 of 1988, s. 8.

(h) plan and cause to be executed a nation-wide programme for the prevention, control or abatement of water pollution;

(i) perform such other functions as may be prescribed.

(3) The Board may establish or recognise a laboratory or laboratories to enable the Board to perform its functions under this section efficiently, including the analysis of samples of water from any stream or well or of samples of any sewage or trade effluents.

17. FUNCTIONS OF STATE BOARD.

(1) Subject to the provisions of this Act, the functions of a State Board shall be --

(a) to plan a comprehensive programme for the prevention, control or abatement of pollution of streams and wells in the State and to secure the execution thereof;

(b) to advise the State Government on any matter concerning the prevention, control or abatement of water pollution;

(c) to collect and disseminate information relating to water pollution and the prevention, control or abatement thereof;

(d) to encourage, conduct and participate in investigations and research relating to problems of water pollution and prevention, control or abatement of water pollution;

(e) to collaborate with the Central Board in organising the training of persons engaged or to be engaged in programmes relating to prevention, control or abatement of water pollution and to organise mass education programmes relating thereto;

(f) to inspect sewage or trade effluents, works and plants for the treatment of sewage and trade effluents and to review plans, specifications or other data relating to plants set up for the treatment of water, works for the purification thereof and the system for the disposal of sewage or trade effluents or in connection with the grant of any consent as required by this Act;

(g) lay down, modify or annul effluent standards for the sewage and trade effluents and for the quality of receiving waters (not being water in an inter-State stream) resulting from the discharge of effluents and to classify waters of the State;

(h) to evolve economical and reliable methods of treatment of sewage and trade effluents, having regard to the peculiar conditions of soils, climate and water resources of different regions and more especially the prevailing flow

characteristics of water in streams and wells which render it impossible to attain even the minimum degree of dilution;

(i) to evolve methods of utilisation of sewage and suitable trade effluents in agriculture;

(j) to evolve efficient methods of disposal of sewage and trade effluents on land, as are necessary on account of the predominant conditions of scant stream flows that do not provide for major part of the year the minimum degree of dilution;

(k) to lay down standards of treatment of sewage and trade effluents to be discharged into any particular stream taking into account the minimum fair weather dilution available in that stream and the tolerance limits of pollution permissible in the water of the stream, after the discharge of such effluents;

(l) to make, vary or revoke any order --

(i) for the prevention, control or abatement of discharge of waste into streams or wells;

(ii) requiring any person concerned to construct new systems for the disposal of sewage and trade effluents or to modify, alter or extend any such existing system or to adopt such remedial measures as are necessary to prevent control or abate water pollution;

(m) to lay down effluent standards to be complied with by persons while causing discharge of sewage or sullage or both and to lay down, modify or annul effluent standards for the sewage and trade effluents;

(n) to advise the State Government with respect to the location of any industry the carrying on of which is likely to pollute a stream or well;

(o) to perform such other functions as may be prescribed or as may, from time to time be entrusted to it by the Central Board or the State Government.

(2) The Board may establish or recognise a laboratory or laboratories to enable the Board to perform its functions under this section efficiently, including the analysis of samples of water from any stream or well or of samples of any sewage or trade effluents.

18. POWERS TO GIVE DIRECTIONS.

¹[1] In the performance of its functions under this Act --

(a) the Central Board shall be bound by such directions in writing as the Central Board may give to it; and

¹ S. 18 renumbered as sub-section (1) thereof by Act 53 of 1988, s. 9.

(b) every State Board shall be bound by such directions in writing as the Central Board or the State Government may give to it:

Provided that where a direction given by the State Government is inconsistent with the direction given by the Central Board, the matter shall be referred to the Central Government for its decision.

¹[(2) Where the Central Government is of the opinion that the State Board has defaulted in complying with any directions given by the Central Board under sub-section (1) and as a result of such default a grave emergency has arisen and it is necessary or expedient so to do in the public interest, it may, by order, direct the Central Board to perform any of the functions of the State Board in relation to such area for such period and for such purposes, as may be specified in the order.

(3) Where the Central Board performs any of the functions of the State Board in pursuance of a direction under sub-section (2), the expenses, if any, incurred by the Central Board with respect to performance of such functions may, if the State Board is empowered to recover such expenses, be recovered by the Central Board with interest (at such reasonable rate as the Central Government may, by order, fix) from the date when a demand for such expenses is made until it is paid from the person or persons concerned as arrears of land revenue or of public demand.

(4) For the removal of doubts, it is hereby declared that any directions to perform the functions of any State Board given under sub-section (2) in respect of any area would not preclude the State Board from performing such functions in any other area in the State or any of its other functions in that area].

CHAPTER V

PREVENTION AND CONTROL OF WATER POLLUTION

19. POWER OF STATE GOVERNMENT TO RESTRICT THE APPLICATION OF THE ACT TO CERTAIN AREAS.

(1) Notwithstanding contained in this Act, if the State Government, after consultation with, or on the recommendation of, the State Board, is of opinion that the provisions of this Act need not apply to the entire State, it may, by notification in the Official Gazette, restrict the application of this Act to such area or areas as may be declared therein as water pollution, prevention and control area or areas and thereupon the provisions of this Act shall apply only to such area or areas.

(2) Each water pollution, prevention and control area may be declared either by reference to a map or by reference to the line of any watershed or the boundary of any district or partly by one method and partly by another.

¹ Ins. by Act 53 of 1988, s. 9,

(3) The State Government may, by notification in the Official Gazette,-

(a) alter any water pollution prevention and control area whether by way of extension or reduction; or

(b) define a new water pollution, prevention and control area in which may be merged one or more water pollution, prevention and control areas, or any part or parts thereof.

20. POWER TO OBTAIN INFORMATION.

(1) For the purpose of enabling a State Board to perform the function conferred on it by or under this Act, the State Board or any officer empowered by it in that behalf, may make surveys of any area and gauge and keep records of the flow or volume and other characteristics of an stream or well in such area, and may take steps for the measurement and recording of the rainfall in such area or any part thereof and for the installation and maintenance for those purposes of gauges or other apparatus and works connected therewith, and carry out stream surveys and may take such other steps as may be necessary in order to obtain any information required for the purposes aforesaid.

(2) A State Board may give directions requiring any person who in its opinion is abstracting water from any such stream or well in the area in quantities which are substantial in relation to the flow or volume of that stream or well or is discharging sewage or trade effluent into any such stream or well, to give such information as to the abstraction or the discharge at such times and in such form as may be specified in the directions.

(3) Without prejudice to the provisions of sub-section (2), a State Board may, with a view to preventing or controlling pollution of water, give directions requiring any person in charge of any establishment where any ¹[industry, operation or process, or treatment and disposal system] is carried on, to furnish to it information regarding the construction, installation or operation of such establishment or of any disposal system] or of any extension or addition thereto in such establishment and such other particulars as may be prescribed.

21. POWER TO TAKE SAMPLES OF EFFLUENTS AND PROCEDURE TO BE FOLLOWED IN CONNECTION THEREWITH.

(1) A State Board or any officer empowered by it in this behalf shall have power to take for the purpose of analysis samples of water from any stream or well or samples of any sewage or trade effluent which is passing from any plant or vessel or from or over any place into any such stream or well.

¹ Subs. by Act 53 of 1988 s. 10 for "industry or trade"

(2) The result of any analysis of a sample of any sewage or trade effluent taken under sub-section (1) shall not be admissible in evidence in a legal proceeding unless the provisions of sub-sections (3), (4) and (5) are complied with.

(3) Subject to the provisions of sub-sections (4) and (5), when a sample (composite or otherwise as may be warranted by the process used) of any sewage or trade effluent is taken for analysis under sub-section (1), the person taking the sample shall --

(a) serve on the person in charge of, or having control over, the plant or vessel or in occupation of the place (which person is hereinafter referred to as the occupier) or any agent of such occupier, a notice, then and there in such form as may be prescribed of his intention to have it so analysed;

(b) in the presence of the occupier or his agent, divide the sample into two parts;

(c) cause each part to be placed in a container which shall be marked and sealed and shall also be signed both by the person taking the sample and the occupier or his agent;

(d) send one container forthwith,--

(i) in a case where such sample is taken from any area situated in a Union territory, to the laboratory established or recognised by the Central Board under section 16; and

(ii) in any other case, to the laboratory established or recognised by the State Board under section 17;

(e) on the request of the occupier or his agent, send the second container.-

(i) in a case where such sample is taken from any area situated in a Union territory, to the laboratory established or specified under sub-section (1) of section 51; and

(ii) in an other case, to the laboratory established or specified under sub-section (1) of section 52.

¹[(4) When a sample of any sewage or trade effluent is taken for analysis under sub-section (1) and the person taking the sample serves on the occupier or his agent, a notice under clause (a) of sub-section (3) and the occupier or his agent wilfully absents himself, then, -

¹ Subs. by Act 44 of 1978, s. 10, for sub-section (4).

(a) the sample so taken shall be placed in a container which shall be marked and sealed and shall also be signed by the person taking the sample and the same shall be sent forthwith by such person for analysis to the laboratory referred to in sub-clause (i) or sub-clause (ii), as the case may be, of clause (e) of sub-section (3) and such person shall inform the Government analyst appointed under sub-section (1) or sub-section (2), as the case may be, of section 53, in writing about the wilful absence of the occupier or his agent; and

(b) the cost incurred in getting such sample analysed shall be payable by the occupier or his agent and in case of default of such payment, the same shall be recoverable from the occupier or his agent, as the case may be, as an arrear of land revenue or of public demand:

Provided that no such recovery shall be made unless the occupier or, as the case may be, his agent has been given a reasonable opportunity of being heard in the matter.]

(5) When a sample of any sewage or trade effluent is taken for analysis under sub-section (1) and the person taking the sample serves on the occupier or his agent a notice under clause (a) of sub-section (3) and the occupier or his agent who is present at the time of taking the sample does not make a request for dividing the sample into two parts as provided in clause (b) of sub-section (3), then, the sample so taken shall be placed in a container which shall be marked and sealed and shall also be signed by the person taking the sample and the same shall be sent forthwith by such person for analysis to the laboratory referred to in sub-clause (i) or sub-clause (ii), as the case may be, of clause (d) of sub-section (3).

22. REPORTS OF THE RESULTS OF ANALYSIS ON SAMPLES TAKEN UNDER SECTION 21.

(1) Where a sample of any sewage or trade effluent has been sent for analysis to the laboratory established or recognised by the Central Board or, as the case may be, the State Board, the concerned Board analyst appointed under sub-section (3) of section 53 shall analyse the sample and submit a report in the prescribed form of the result of such analysis in triplicate to the Central Board or the State Board, as the case may be.

(2) On receipt of the report under sub-section (1), one copy of the report shall be sent by the Central Board or the State Board, as the case may be, to the occupier or his agent referred to in section 21, another copy shall be preserved for production before the court in case any legal proceedings are taken against him and the other copy shall be kept by the concerned Board.

(3) Where a sample has been sent for analysis under clause (e) of sub-section (3) or sub-section (4) of section 21 to any laboratory mentioned therein, the Government analyst referred to in that sub-section shall analyse the sample and submit a report in the prescribed form of the result of the analysis in triplicate to the Central Board or, as the case may be, the State Board which shall comply with the provisions of sub-section (2).

(4) If there is any inconsistency or discrepancy between, or variation in the results of, the analysis carried out by the laboratory established or recognised by the Central Board or the State Board, as the case may be, and that of the laboratory established or specified under section 51 or section 52, as the case may be, the report of the latter shall prevail.

(5) Any cost incurred in getting any sample analysed at the request of the occupier or his agent shall be payable by such occupier or his agent and in case of default the same shall be recoverable from him as arrears of land revenue or of public demand.

23. POWER OF ENTRY AND INSPECTION.

(1) Subject to the provisions of this section, any person empowered by a State Board in this behalf shall have a right at any time to enter, with such assistance as he considers necessary, any place--

(a) for the purpose of performing any of the functions of the Board entrusted to him;

(b) for the purpose of determining whether and if so in what manner, any such functions are to be performed or whether any provisions of this Act or the rules made thereunder of an notice, order, direction or authorisation served, made, given, or granted under this Act is being or has been complied with;

(c) for the purpose of examining any plant, record, register, document or any other material object or for conducting a search of any place in which he has reason to believe that an offence under this Act or the rules made thereunder has been or is being or is about to be committed and for seizing any such plant, record, register, document or other material object, if he has reason to believe that it may furnish evidence of the commission of an offence punishable under this Act or the rules made thereunder:

Provided that the right to enter under this sub-section for the inspection of a well shall be exercised only at reasonable hours in a case where such well is situated in any premises used for residential purposes and the water thereof is used exclusively for domestic purposes.

(2) The provisions of ¹[the Code of Criminal Procedure, 1973] (2 of 1974), or, in relation to the State of Jammu and Kashmir, the provisions of any corresponding law in force in that State, shall, so far as may be, apply to any search or seizure under this section as they apply to any search or seizure made under the authority of a warrant issued under ²[section 94] of the said Code, or, as the case may be, under the corresponding provisions of the said law.

Explanation.- For the purposes of this section, "place" includes vessel.

¹ Subs. by Act 44 of 1978, s. 11, for "Code of Criminal Procedure, 1898 (5 of 1898) ."

² Subs. by s. 11, *ibid*, for "section 98".

24. PROHIBITION ON USE OF STREAM OR WELL FOR DISPOSAL OF POLLUTING MATTER, ETC.

(1) Subject to the provisions of this section, -

(a) no person shall knowingly cause or permit any poisonous, noxious or polluting matter determined in accordance with such standards as may be laid down by the State Board to enter (whether directly or indirectly) into any ¹[stream or well or sewer or on land]; or

(b) no person shall knowingly cause or permit to enter into any stream any other matter which may tend, either directly or in combination with similar matters, to impede the proper flow of the water of the stream in a manner leading or likely to lead to a substantial aggravation of pollution due to other causes or of its consequences.

(2) A person shall not be guilty of an offence under sub-section (1), by reason only of having done or caused to be done any of the following acts, namely;-

(a) constructing, improving or maintaining in or across or on the bank or bed of any stream any building, bridge, weir, dam, sluice, dock, pier, drain or sewer or other permanent works which he has a right to construct, improve or maintain;

(b) depositing any materials on the bank or in the bed of any stream for the purpose of reclaiming land or for supporting, repairing or protecting the bank or bed of such stream provided such materials are not capable of polluting such stream;

(c) putting into an stream any sand or gravel or other natural deposit which has flowed from or been deposited by the current of such stream;

(d) causing or permitting, with the consent of the State Board, the deposit accumulated in a well, pond or reservoir to enter into any stream.

(3) The State Government may, after consultation with, or on the recommendation of, the State Board, exempt, by notification in the Official Gazette, any person from the operation of sub-section (1) subject to such conditions, if any, as may be specified in the notification and any condition so specified may by a like notification and be altered, varied or amended.

¹ Subs. by Act 53 of 1988, s.11, for "stream or well".

25. RESTRICTIONS ON NEW OUTLETS AND NEW DISCHARGES.

¹[(1) Subject to the provisions of this section, no person shall, without the previous consent of the State Board,--

(a) establish or take any steps to establish any industry, operation or process, or any treatment and disposal system or an extension or addition thereto, which is likely to discharge sewage or trade effluent into a stream or well or sewer or on land (such discharge being hereafter in this section referred to as discharge of sewage); or

(b) bring into use any new or altered outlets for the discharge of sewage; or

(c) begin to make any new discharge of sewage;

Provided that a person in the process of taking any steps to establish any industry, operation or process immediately before the commencement of the Water (Prevention and Control of Pollution) Amendment Act, 1988, for which no consent was necessary prior to such commencement, may continue to do so for a period of three months from such commencement or, if he has made an application for such consent, within the said period of three months, till the disposal of such application.

(2) An applications for consent of the State Board under sub-section (1) shall be made in such form, contain such particulars and shall be accompanied by such fees as may be prescribed.]

(3) The State Board may make such inquiry as it may deem fit in respect of the application for consent referred to in sub-section (1) and in making any such inquiry shall follow such procedure as may be prescribed.

²[(4) The State Board may --

(a) grant its consent referred to in sub-section (1), subject to such conditions as it may impose, being--

(i) in cases referred to in clauses (a) and (b) of sub-section (1) of section 25, conditions as to the point of discharge of sewage or as to the use of that outlet or any other outlet for discharge of sewage;

(ii) in the case of a new discharge, conditions as to the nature and composition, temperature, volume or rate of discharge of the effluent from the land or premises from which the discharge or new discharge is to be made; and

¹ Subs. by s. 12, Act 53 of 1988, for sub-sections (1) and (2).

² Subs. by s. 12, Act 53 of 1988, for sub-sections (4), (5) and (6).

(iii) that the consent will be valid only for such period as may be specified in the order,

and any such conditions imposed shall be binding on any person establishing or taking any steps to establish any industry, operation or process, or treatment and disposal system or extension or addition thereto, or using the new or altered outlet, or discharging the effluent from the land or premises aforesaid; or

(b) refuse such consent for reasons to be recorded in writing.

(5) Where, without the consent of the State Board, any industry operation or process, or any treatment and disposal system or any extension or addition thereto, is established, or any steps for such establishment have been taken or a new or altered outlet is brought into use for the discharge of sewage or a new discharge of sewage is made, the State Board may serve on the person who has established or taken steps to establish any industry, operation or process, or any treatment and disposal system or any extension or addition thereto, or using the outlet, or making the discharge, as the case may be, a notice imposing any such conditions as it might have imposed on an application for its consent in respect of such establishment, such outlet or discharge.

(6) Every State Board shall maintain a register containing particulars or conditions imposed under this section and so much of the register as relates to any outlet, or to any effluent, from any land or premises shall be open to inspection at all reasonable hours by any person interested in, or affected by such outlet, land or premises, as the case may be, or by any person authorised by him in this behalf and the conditions so contained in such register shall be conclusive proof that the consent was granted subject to such conditions.]

(7) The consent referred to in sub-section (1) shall, unless given or refused earlier, be deemed to have been given unconditionally on the expiry of a period of four months of the making of an application in this behalf complete in all respects to the State Board.

(8) For the purposes of this section and sections 27 and 30,-

(a) the expression "new or altered outlet" means any outlet which is wholly or partly constructed on or after the commencement of this Act or which (whether so constructed or not) is substantially altered after such commencement;

(b) the expression "new discharge" means a discharge which is not, as respects the nature and composition, temperature, volume, and rate of discharge of the effluent substantially a continuation of a discharge made within the preceding twelve months (whether by the same or different outlet), so however that a discharge which is in other respects a continuation of previous discharge made as aforesaid shall not be deemed to be a new discharge by reason of any reduction of the temperature or volume or rate of discharge of the effluent as compared with the previous discharge.

26. PROVISION REGARDING EXISTING DISCHARGE OF SEWAGE OR TRADE EFFLUENT.

Where immediately before the commencement of this Act any person was discharging any sewage or trade effluent into a ¹[stream or well or sewer or on land], the provisions of section 25 shall, so far as may be, apply in relation to such person as they apply in relation to the person referred to in that section subject to the modification that the application for consent to be made under sub-section (2) of that section ²[shall be made on or before such date as may be specified by the State Government by notification in this behalf in the Official Gazette.]

27. REFUSAL OR WITHDRAWAL OF CONSENT BY STATE BOARD.

³[(1) A State Board shall not grant its consent under sub-section (4) of section 25 for the establishment of any industry, operation or process, or treatment and disposal system or extension or addition thereto, or to the bringing into use of a new or altered outlet unless the industry, operation or process, or treatment and disposal system or extension or addition thereto, or the outlet is so established as to comply with an conditions imposed by the Board to enable it to exercise its right to take samples of the effluent.

⁴[(2) A State Board may from time to time review --

⁵[(a) any condition imposed under section 25 or section 26 and may serve on the person to whom a consent under section 25 or section 26 is granted a notice making any reasonable variation of or revoking any such condition.

(b) the refusal of any consent referred to in sub-section (1) of section 25 or section 26 or the grant of such consent without any condition, and may make such orders as it deemed fit.]

(3) Any conditions imposed under section 25 or section 26 shall be subject to any variation made under sub-section (2) and shall continue in force until revoked under that sub-section.

¹ Subs. by Act 44 of 1978, s. 13, for "stream or well"

² Subs. by s. 13, *ibid.*, for certain words.

³ Subs. by Act 53 of 1988, s. 13, for sub-section (1).

⁴ Subs. by Act 44 of 1978, s. 14 for sub-section (2).

⁵ Subs. by Act 53 of 1988, s. 13, for cl. (a).

28. APPEALS.

(1) Any person aggrieved by an order made by the State Board under Section 25, section 26 or section 27 may within thirty days from the date on which the order is communicated to him, prefer an appeal to such authority (hereinafter referred to as the appellate authority) as the State Government may think fit to constitute:

Provided that the appellate authority may entertain the appeal after the expiry of the said period of thirty days if such authority is satisfied that the appellant was prevented by sufficient cause from filing the appeal in time.

¹[(2) An appellate authority shall consist of a single person or three persons as the State Government may think fit, to be appointed by that Government.]

(3) The form and manner in which an appeal may be preferred under sub-section (1), the fees payable for such appeal and the procedure to be followed by the appellate authority shall be such as may be prescribed.

(4) On receipt of an appeal preferred under sub-section (1), the appellate authority shall, after giving the appellants and the State Board an opportunity of being heard, dispose of the appeal as expeditiously as possible.

(5) If the appellate authority determines that any condition imposed, or the variation of any condition, as the case may be, was unreasonable, then,--

(a) where the appeal is in respect of the unreasonableness of any condition imposed, such authority may direct either that the condition shall be treated as annulled or that there shall be substituted for it such condition as appears to it to be reasonable;

(b) where the appeal is in respect of the unreasonableness of any variation of a condition, such authority may direct either that the condition shall be treated as continuing in force unvaried or that it shall be varied in such manner as appears to it to be reasonable.

29. REVISION.

(1) The State Government may at any time either of its own motion or on an application made to it in this behalf, call for the records of any case where an order has been made by the State Board under section 25, section 26 or section 27 for the purpose of satisfying itself as to the legality or propriety of any such order and may pass such order in relation thereto as it may think fit :

¹ Subs. by Act 44 of 1978, s 15. for sub-section (2).

Provided that the State Government shall not pass any order under this sub-section without affording the State Board and the person who may be affected by such order a reasonable opportunity of being heard in the matter.

(2) The State Government shall not revise any order made under section 25, section 26 or section 27 where an appeal against that order lies to the appellate authority, but has not been preferred or where an appeal has been preferred such appeal is pending before the appellate authority.

30. POWER OF STATE BOARD TO CARRY OUT CERTAIN WORKS.

¹[(1) Where under this Act, any conditions have been imposed on any person while granting consent under section 25 or section 26 and such conditions require such person to execute any work in connection therewith and such work has not been executed within such time as may be specified in this behalf, the State Board may serve on the person concerned a notice requiring him within such time (not being less than thirty days) as may be specified in the notice to execute the work specified therein.]

(2) If the person concerned fails to execute the work as required in the notice referred to in sub-section (1), then, after the expiration of the time specified in the said notice, the State Board may itself execute or cause to be executed such work.

(3) All expenses incurred by the State Board for the execution of the aforesaid work, together with interest, at such rate as the State Government may, by order, fix, from the date when a demand for the expenses is made until it is paid, may be recovered by that Board from the person concerned, as arrears of land revenue, or of public demand.

31. FURNISHING OF INFORMATION TO STATE BOARD AND OTHER AGENCIES IN CERTAIN CASES.

²[(1) If at any place where any industry, operation or process, or any treatment and disposal system or any extension or addition thereto is being carried on, due to accident or other unforeseen act or event, any poisonous, noxious or polluting matter is being discharged, or is likely to be discharged into a stream or well or sewer or on land and, as a result of such discharge, the water in any stream or well is being polluted, or is likely to be polluted, then the person incharge of such place shall forthwith intimate the occurrence of such accident, act or event to the State Board and such other authorities or agencies as may be prescribed.]

(2) Where any local authority operates any sewerage system or sewage works the provisions of sub-section (1) shall apply to such local authority as they apply in relation to the person in charge of the place where an industry or trade is being carried on.

¹ Subs. by Act 53 of 1988, s. 14, for sub-section (1).

² Subs. by s. 15, *ibid.*, for sub-section (1).

32. EMERGENCY MEASURES IN CASE OF POLLUTION OF STREAM OR WELL.

(1) Where it appears to the State Board that any poisonous, noxious or polluting matter is present in ¹[any stream or well or on land by reason of the discharge of such matter in such stream or well or on such land] or has entered into that stream or well due to any accident or other unforeseen act or event, and if the Board is of opinion that it is necessary or expedient to take immediate action, it may for reasons to be recorded in writing, carry out such operations as it may consider necessary for all or any of the following purposes, that is to say --

(a) removing that matter from the ²[stream or well or on land] and disposing it of in such manner as the Board considers appropriate;

(b) remedying or mitigating any pollution caused by its presence in the stream or well;

(c) issuing orders immediately restraining or prohibiting the persons concerned from discharging any poisonous, noxious or polluting matter ³[into the stream or well or on land] or from making in sanitary use of the stream or well.

(2) The power conferred by sub-section (1) does not include the power to construct any works other than works of a temporary character which are removed on or before the completion of the operations.

33. POWER OF BOARD TO MAKE APPLICATION TO COURTS FOR RESTRAINING APPREHENDED POLLUTION OF WATER IN STREAMS OR WELLS.

⁴[(1) Where it is apprehended by a Board that the water in any stream or well is likely to be polluted by reason of the disposal or likely disposal of any matter in such stream or well or in any sewer, or on any land, or otherwise, the Board may make an application to a court, not inferior to that of a Metropolitan Magistrate or a Judicial Magistrate of the first class, for restraining the persons who is likely to cause such pollution from so causing.]

(2) On receipt of an application under sub-section (1) the court make such order as it deems fit.

(3) Where under sub-section (2) the court makes an order restraining any person from polluting the water in any stream or well, it may in that order-

¹ Subs. by Act 53 of 1988, s. 16, for "any stream or well"

² Subs. by s. 16, *ibid.*, for "stream or well".

³ Subs. by s. 16, *ibid.*, for "into the stream or well".

⁴ Subs. by s. 17, *ibid.*, for sub-section (1).

(i) direct the person who is likely to cause or has caused the pollution of the water in the stream or well, to desist from taking such action as is likely to cause pollution or, as the case may be, to remove such stream or well, such matter, and

(ii) authorise the Board, if the direction under clause (i) (being a direction for the removal of any matter from such stream or well) is not complied with by the person to whom such direction is issued, to undertake the removal and disposal of the matter in such manner as may be specified by the court.

(4) All expenses incurred by the Board in removing any matter in pursuance of the authorisation under clause (ii) of sub-section (3) or in the disposal of any such matter may be defrayed out of any money obtained by the Board from such disposal and any balance outstanding shall be recoverable from the person concerned as arrears of land revenue or of public demand.

¹[33A. POWER TO GIVE DIRECTIONS.

Notwithstanding anything contained in any other law, but subject to the provisions of this Act, and to any directions that the Central Government may give in this behalf, a Board may, in the exercise of its powers and performance of its functions under this Act, issue any directions in writing to any person, officer or authority, and such person, officer or authority shall be bound to comply with such directions.

Explanation.-For the avoidance of doubts, it is hereby declared that the power to issue directions under this section includes the power to direct-

- (a) the closure, prohibition or regulation of any industry, operation or process; or
- (b) the stoppage or regulation of supply of electricity, water or any other service.]

(e) plan and organise the training of persons engaged or to be engaged in programmes for the prevention, control or abatement of air pollution on such terms and conditions as the Central Board may specify;

(f) organise through mass media a comprehensive programme regarding the prevention, control or abatement of air pollution;

(g) collect, compile and publish technical and statistical data relating to air pollution and the measures devised for its effective prevention, control or abatement and prepare manuals, codes or guides relating to prevention, control or abatement of air pollution;

(h) lay down standards for the quality of air.,

(i) collect and disseminate information in respect of matters relating to air pollution;

(j) perform such other functions as may be prescribed.

(3) The Central Board may establish or recognise a laboratory or laboratories to enable the Central Board to perform its functions

under this section efficiently.

(4) The Central Board may-

(a) delegate any of its functions under this Act generally or specially to any of the committees appointed by it;

(b) do such other things and perform such other acts as it may think necessary for the proper discharge of its functions and generally for the purpose of carrying into effect the purposes Of this Act.

17. Functions of State Boards.

(1) subject to the provisions of this Act, and without prejudice to the performance of its functions, if any, under the Water (Prevention and Control of Pollution) Act, 1974 (Act 6 of 1974), the functions of a State Board shall be-

(a) to plan a comprehensive programme for the prevention, control or abatement of air pollution and to secure the execution thereof;

(b) to advise the State Government on any matter concerning the prevention, control or abatement of air pollution;

(c) to collect and disseminate information relating to air pollution;

(d) to collaborate with the Central Board in organising the training of persons engaged or to be engaged in programmes relating to prevention, control or abatement of air pollution and to organise mass-education programme relating thereto;

(e) to inspect, at all reasonable times, any control equipment, industrial plant or manufacturing process and to give, by order, such directions to such persons as it may consider necessary to take steps for the prevention, control or abatement of air pollution;

(f) to inspect air pollution control areas at such intervals as it may think necessary, assess the quality of air therein and take steps for the prevention, control or abatement of air pollution in such areas;

(g) to lay down, in consultation with the Central Board and having regard to the standards for the quality of air laid down by the Central Board, standards for emission of air pollutants into the atmosphere from industrial plants and automobiles or for the discharge of any air pollutant into the atmosphere from any other source whatsoever not being a ship or an aircraft:

Provided that different standards for emission may be laid down under this clause for different industrial plants having regard to the quantity and composition of emission of air pollutants into the atmosphere from such industrial plants;

(h) to advise the State Government with respect to the suitability of any premises or location for carrying on any industry which is likely to cause air pollution;

(i) to Perform such other functions as may be prescribed or as may, from time to time, be entrusted to it by the Central Board or the State Government;

(j) to do such other things and to perform such other acts as it may think necessary for the proper discharge of its functions and generally for the purpose of carrying into effect the purposes of this Act.

(2) A State Board may establish or recognise a laboratory or laboratories to enable the State Board to perform its functions under this section efficiently.

18. Power to give directions.

¹³[(1)] In the performance of its functions under this Act-

(a) the Central Board shall be bound by such directions in writing as the Central Government may give to it; and

(b) every State Board shall be bound by such directions in writing as the Central Board or the State Government may give to it:

Provided that where a direction given by the State Government is inconsistent with the direction given by the Central Board, the matter shall be referred to the Central Government for its decision.

14[(2)] Where the Central Government is of the opinion that any State Board has defaulted in complying with any directions given by the Central Board under sub-section (1) and as a result of such default a grave emergency has arisen and it is necessary or expedient so to do in the public interest, it may, by order, direct the Central Board to perform any of the functions of the State Board in relation to such area, for such period and for such purposes, as may be specified in the order.

(3) Where the Central Board performs any of the functions of the State Board in pursuance of a direction under sub-section (2), the expenses, if any incurred by the Central Board with respect to the performance of such functions may, if the State Board is empowered to recover such expenses, be recovered by the Central Board with interest (at such reasonable rate as the Central Government may, by order, fix) from the date when a demand for such expenses is made until it is paid from the person or persons concerned as arrears of land revenue or of public demand.

(4) For the removal of doubts, it is hereby declared that any directions to perform the functions of any State Board given under sub-section (2) in

respect of any area would not preclude the State Board from performing such functions in any other area in the State or any of its other functions in that area.]

CHAPTER IV PREVENTION AND CONTROL OF AIR POLLUTION

19. Power to declare air pollution control areas,

(1) The State Government may, after consultation with the State Board, by notification in the Official Gazette declare in such manner as may be prescribed, any area or areas within the State as air pollution control area or areas for the purposes of this Act.

(2) The State government may, after consultation with the State Board, by notification in the Official Gazette,-

(a) alter any air pollution control area whether by way of extension or reduction ;

(b) declare a new air pollution control area in which may be merged one or more existing air pollution control areas or any part or parts thereof.

(3) If the State Government, after consultation with the State Board, is of opinion that the use of any fuel, other than an approved fuel, in any air pollution control area or part thereof, may cause or is likely to cause air pollution, it may, by notification in the Official Gazette, prohibit the use of such fuel in such area or part thereof with effect from such date (being not less than three months from the date of publication of the notification) as may be specified in the notification.

(4) The State Government may, after consultation with the State Board, by notification in the Official Gazette, direct that with effect from such date as may be specified therein, no appliance, other than an approved appliance, shall be used in the premises situated in an air pollution control area :

Provided that different dates may be specified for different parts of an air pollution control area or for the use of different appliances.

(5) If the State Government, after consultation with the State Board, is of opinion that the burning of any material (not being fuel) in any air pollution control area or part thereof may cause or is likely to cause air pollution, it may, by notification in the Official Gazette, prohibit the burning of such material in such area or part thereof.

20. Power to give instructions for ensuring standards for emission from automobiles.

With a view to ensuring that the standards for emission of air pollutants from automobiles laid down by the State Board under clause (g) of sub-section (1) of section 17 are complied with, the State Government shall, in consultation with the State Board, give such instructions as may be deemed necessary to the concerned authority in charge of registration of motor vehicles under the Motor Vehicles Act, 1939 (Act 4 of 1939), and such authority shall, notwithstanding anything contained in that Act or the rules made thereunder be bound to comply with such instructions.

21. Restrictions on use of certain industrial plants.

¹⁵[(/) Subject to the provisions of this section, no person shall, without the previous consent of the State Board, establish or operate any industrial plant in an air pollution control area :

Provided that a person operating any industrial plant in any air pollution control area, immediately before the commencement of section 9 of the Air (Prevention and Control of Pollution) Amendment Act, 1987, for which no consent was necessary prior to such commencement, may continue to do so for a period of three months from such commencement or, if he has made an application for such consent within the said period of three months, till the disposal of such application.]

(2) An application for consent of the State Board under sub-section (1) shall be accompanied by such fees as may be prescribed and shall be made in the prescribed form and shall contain the particulars of the industrial plant and such other particulars as may be prescribed :

Provided that where any person, immediately before the declaration of any area as an air pollution control area, operates in such area any industrial plant, ¹⁶*** such person shall make the application under this sub-section within such period (being not less than three months from the date of such declaration) as may be prescribed and where such person makes such application, he shall be deemed to be operating such industrial plant with the consent of the State Board until the consent applied for has been refused,

(3) The State Board may make such inquiry as it may deem fit in respect of the application for consent referred to in sub-section (1) and in making any such inquiry, shall follow such procedure as may be prescribed.

(4) Within a period of four months after the receipt of the application for consent referred to in sub-section (1), the State Board shall, by order in writing, ¹⁷[and for reasons to be recorded in the order, grant the consent applied for subject to such conditions and for such period as may be specified in the order, or refuse consent:]

¹⁸[Provided that it shall be open to the State Board to cancel such consent before the expiry of the period for which it is granted or refuse further consent after such expiry if the conditions subject to which such consent has been granted are not fulfilled:

Provided further that before cancelling a consent or refusing a further consent under the first provision, a reasonable opportunity of being heard shall be given to the person concerned.]

(5) Every person to whom consent has been granted by the State Board under sub-section (4), shall comply with the following conditions, namely -

(i) the control equipment of such specifications as the State Board may approve in this behalf shall be installed and operated in the premises where the industry is carried on or proposed to be carried on;

(ii) the existing control equipment, if any, shall be altered or replaced in accordance with the directions of the State Board;

(iii) the control equipment referred to in clause (i) or clause (ii) shall be kept at all times in good running condition;

(iv) chimney, wherever necessary, of such specifications as the State Board may approve in this behalf shall be erected or re-erected in such premises; and

(v) such other conditions as the State Board, may specify in this behalf,

(vi) the conditions referred to in clauses (i), (ii) and (iv) shall be complied with within such period as the State Board may specify in this behalf-

Provided that in the case of a person operating any industrial plant ^{19***} in an air pollution control area immediately before the date of declaration of such area as an air pollution control area, the period so specified shall not be less than six months :

Provided further that-

(a) after the installation of any control equipment in accordance with the specifications under clause (i), or

(b) after the alteration or replacement of any control equipment in accordance with the directions of the State Board under clause (ii), or

(c) after the erection or re-erection of any chimney under clause (iv), no control equipment or chimney shall be altered or replaced or, as the case may be, erected or re-created except with the previous approval of the State Board.

(6) If due to any technological improvement or otherwise the State Board is of opinion that all or any of the conditions referred to in sub-section (5) require or requires variation (including the change of any control equipment, either in whole or in part), the State Board shall, after giving the person to whom consent has been granted an opportunity of being heard, vary all or any of such conditions and thereupon such person shall be bound to comply with the conditions as so varied.

(7) Where a person to whom consent has been granted by the State Board under sub-section (4) transfers his interest in the industry to any other person, such consent shall be deemed to have been granted to such other person and he shall be bound to comply with all the conditions subject to which it was granted as if the consent was granted to him originally.

22. Persons carrying on industry, etc., and to allow emission of air pollutants in excess of the standard laid down by State Board.

No person ^{20****} operating any industrial plant, in any air pollution control area shall discharge or cause or permit to be discharged the emission of any air pollutant in excess of the standards laid down by the State Board under clause (g) of sub-section (1) of section 17.

21[22A. Power of Board to make application to court for restraining person from causing air pollution.

(1) Where it is apprehended by a Board that emission of any air pollutant, in excess of the standards laid down by the State Board under clause (g) of sub-section (1) of section 17, is likely to occur by reason of any person operating an industrial plant or otherwise in any air pollution control area, the Board may make an application to a court, not inferior to that of a Metropolitan Magistrate or a Judicial Magistrate of the first class for restraining such person from emitting such air pollutant.

(2) On receipt of the application under sub-section (1), the court may make such order as it deems fit.

(3) Where under sub-section (2), the court makes an order restraining any person from discharging or causing or permitting to be discharged the emission of any air pollutant, it may, in that order,-

(a) direct such person to desist from taking such action as is likely to cause emission;

(b) authorise the Board, if the direction under clause (a) is not complied with by the person to whom such direction is issued, to implement the direction in such manner as may be specified by the court.

(4) All expenses incurred by the Board in implementing the directions of the court under clause (b) of sub-section (3) shall be recoverable from the person concerned as arrears of land revenue or of public demand.

23. Furnishing of information to State Board and other agencies in certain cases.

(1) Where in any ^{22***} area the emission of any air pollutant into the atmosphere in excess of the standards laid down by the State Board occurs or is apprehended to occur due to accident or other unforeseen act or event, the person in charge of the premises from where which emission occurs or is apprehended to occur shall forthwith intimate the fact of such occurrence or the apprehension of such occurrence to the State Board and to such authorities or agencies as may be prescribed.

(2) On receipt of information with respect to the fact or the apprehension of any occurrence of the nature referred to in sub-section (1), whether through intimation under that sub-section or otherwise, the State Board and the authorities or agencies shall, as early as practicable, cause such remedial measure to be taken as are necessary to mitigate the emission of such air pollutants.

(3) Expenses, if any, incurred by the State Board, authority or agency with respect to the remedial measures referred to in sub-section (2) together with interest ("at such reasonable rate, as the State Government may, by order, fix) from the date when a demand for the expenses is made until it is paid, may be recovered by that Board, authority or agency from the person concerned, as arrears of land revenue, or of public demand.

24. Power of entry and inspection.

(1) Subject to the provisions of this section, any person empowered by a State Board in this behalf shall have a right to enter, at all reasonable times with such assistance as he considers necessary, any place—

(a) for the purpose of performing any of the functions of the State Board entrusted to him :

(b) for the purpose of determining whether and if so in what manner, any such functions are to be performed or whether any provisions of this Act or the rules made thereunder or any notice, order, direction or authorisation served, made, given or granted under this Act is being or has been complied with;

(c) for the purpose of examining and testing any control equipment, industrial plant, record, register, document or any other material object or for conducting a search of any place in which he has reason to believe that an offence under this Act or the rules made has been or is being or is about to be committed and for seizing any such control equipment, industrial plant, record, register, document or other material object if he has reasons to believe that it may furnish evidence of the commission of an offence punishable under this Act or the rules made thereunder.

(2) Every person ^{23***} operating any control equipment or any industrial plant, in an air pollution control area shall be bound to render all assistance to the person empowered by the State Board under sub-section (1) for carrying out the functions under that sub-section and if he fails to do so without any reasonable cause or excuse, he shall be guilty of an offence under this Act.

(3) If any person willfully delays or obstructs any person empowered by the State Board under sub-section (1) in the discharge of his duties, he shall be guilty of an offence under this Act.

(4) The provisions of the Code of Criminal Procedure, 1973, or, in relation to the State of Jammu and Kashmir, or any area, in which that Code is not in force, the provisions of any corresponding law in force in that State or area, shall, so far as may be, apply to any search or seizure under this section as they apply to any search or seizure made under the authority of a warrant issued under section 94 of the said Code or, as the case may be, under the corresponding provisions of the said law.

25. Power to obtain information.

For the purposes of carrying out the functions entrusted to it, the State Board or any officer empowered by it in its behalf may call for any information (including information regarding the types of air pollutants emitted into the atmosphere and the level of the emission of such air pollutants) from the occupier or any other person carrying on any industry or operating any control equipment or industrial plant and for the purpose of verifying the correctness of such information, the State Board or such officer shall have the right to inspect the premises where such industry, control equipment or industrial plant is being carried on or operated.

26. Power to take samples of air or emission and procedure to be followed in connection therewith.

(1) A State Board or any officer empowered by it in this behalf shall have power to take, for the purpose of analysis, samples of air or emission from any chimney, flue or duct or any other outlet in such manner as may be prescribed.

(2) The result of any analysis of a sample of emission taken under subsection (1) shall not be admissible in evidence in any legal proceeding unless the provisions of sub-sections (3) and (4) are complied with.

(3) Subject to the provisions of sub-section (4), when a sample of emission is taken for analysis under sub-section (1), the person taking the sample shall-

- (a) serve on the occupier or his agent, a notice, then and there, in such form as may be prescribed, of his intention to have it so analysed;
- (b) in the presence of the occupier or his agent, collect a sample of emission for analysis;
- (c) cause the sample to be placed in a container or containers which shall be marked and sealed and shall also be signed both by the person taking the sample and the occupier or his agent;
- (d) send, without delay, the container to the laboratory established or recognised by the State Board under section 17 or, if a request in that behalf is made by the occupier or his agent when the notice is served on him under clause (a), to the laboratory established or specified under sub-section (1) of section 28.

(4) When a sample of emission is taken for analysis under sub-section (1) and the person taking the sample serves on the occupier or his agent, a notice under clause (a) of sub-section (3), then,-

- (a) in a case where the occupier or his agent willfully absents himself, the person taking the sample shall collect the sample of emission for analysis to be placed in a container or containers which shall be marked and sealed and shall also be signed by the person taking the sample, and
- (b) in a case where the occupier or his agent is present at the time of taking the sample but refuses to sign the marked and sealed container or containers of the sample of emission as required under clause (c) of subsection (3), the marked and sealed container or containers shall be signed by the person taking the sample,

and the container or containers shall be sent without delay by the person taking the sample to the laboratory established or specified under sub-section (7) of section 28 and such person shall inform the Government analyst appointed under sub-section (1) of section 29, in writing, about the willful absence of the occupier or his agent, or, as the case may be, his refusal to sign the container or containers.

27. Reports of the result of analysis on samples taken under section 26.

(1) Where a sample of emission has been sent for analysis to the laboratory established or recognised by the State Board, the Board analyst appointed under sub-section (2) of section 29 shall analyse the sample and submit a report in the prescribed form of such analysis in triplicate to the State Board.

(2) On receipt of the report under sub-section (1), one copy of the report shall be sent by the State Board to the occupier or his agent referred to in section 26, another copy shall be preserved for production before the court in case any legal proceedings are taken against him and the other copy shall be kept by the State Board.

(3) Where a sample has been sent for analysis under clause (a) of sub-section (3) or sub-section (4) of section 26 to any laboratory mentioned therein, the Government analyst referred to in the said sub-section (4) shall analyse the sample and submit a report in the prescribed form of the result of the analysis in triplicate to the State Board which shall comply with the provisions of sub-section (2).

(4) Any cost incurred in getting any sample analysed at the request of the occupier or his agent as provided in clause (d) of sub-section (3) of section 26 or when he willfully absents himself or refuses to sign the marked and sealed container or containers of sample of emission under sub-section (4) of that section, shall be payable by such occupier or his agent and in case of default the same shall be recoverable from him as arrears of land revenue or of public demand.

28. State Air Laboratory.

(1) The State Government may, by notification in the Official Gazette,-

- (a) establish one or more State Air Laboratories; or
- (b) specify one or more laboratories or institutes as State Air Laboratories to carry out the functions entrusted to the State Air Laboratory

under this Act.

(2) The State Government may, after consultation with the State Board, make rules prescribing-

(a) the functions of the State Air Laboratory;

(b) the procedure for the submission to the said Laboratory of samples of air or emission for analysis or tests, the form of the Laboratory's report thereon and the fees payable in respect of such report;

(c) such other matters as may be necessary or expedient to enable that Laboratory to carry out its functions.

29. Analysis.

(1) The State Government may, by notification in the Official Gazette, appoint such persons as it thinks fit and having the prescribed qualifications to be government analysts for the purpose of analysis of samples of air or emission sent for analysis to any laboratory established or specified under sub-section (1) of section 28.

(2) Without prejudice to the provisions of section 14, the State Board may, by notification in the Official Gazette, and with the approval of the State Government, appoint such persons as it thinks fit and having the prescribed qualifications to be Board analysts for the purpose of analysis of samples of air or emission sent for analysis to any laboratory established or recognised under section 17.

30. Reports of analysis.

Any document purporting to be a report signed by a Government analyst or, as the case may be, a State Board analyst may be used as evidence of the facts stated therein in any proceeding under this Act.

31. Appeals,

(1) Any person aggrieved by an order made by the State Board under this Act may, within thirty day from the date on which the order is communicated to him, prefer an appeal to such authority (hereinafter referred to as the Appellate Authority) as the State government may think fit to constitute :

Provided that the Appellate Authority may entertain the appeal after the expiry of the said period of thirty days if such authority is satisfied that the appellant was prevented by sufficient cause from filing the appeal in time.

(2) The Appellate Authority shall consist of a single person or three persons as the State Government may think fit to be appointed by the State Government.

(3) The form and the manner in which an appeal may be preferred under subsection (1), the fees payable for such appeal and the procedure to be followed by the Appellate Authority shall be such as may be prescribed.

(4) On receipt of an appeal preferred under sub-section (1), the Appellate Authority shall, after giving the appellant and the State Board an opportunity of being heard, dispose of the appeal as expeditiously as possible.

24[31A. Power to give directions

Notwithstanding anything contained in any other law, in subject to the provisions of this Act, and to any directions that the Central Government may give in this behalf, a Board may, in the exercise of its powers and performance of its functions under this Act, issue any directions in writing to any person, officer or authority, and such person, officer or authority shall be bound to comply with such directions.

Explanation.-For the avoidance of doubts, it is hereby declared that the power to issue directions under this section, includes the power to direct-

(a) the closure, prohibition or regulation of any industry, operation or

(b) the stoppage or regulation of supply of electricity, water or any other service.]

CHAPTER V FUND, ACCOUNTS AND AUDIT

32. Contribution by Central Government.

The Central Government may, after due appropriation made by Parliament by law in this behalf make in each financial year such contributions to the State Boards as it may think necessary to enable the State Board to perform their functions under this Act:

Provided that nothing in this section shall apply to any ²⁵[State Board for the Prevention and Control of water Pollution] constituted under section 4 of the Water (Prevention and Control of Pollution) Act, 1974, which is empowered by that Act to expend money from its fund thereunder also for performing its functions, under any law for the time being in force relating to the prevention, control or abatement of air pollution.

33. Fund of Board.

(1) Every State Board shall have its own fund for the purposes of this Act and all sums which may, from time to time, be paid to it by the *Central Government and all other receipts (by way of contributions, if any, from the State Government, fees, gifts, grants, donations, benefactions or otherwise) of that Board shall be carried to the fund of the Board and all payments by the Board shall be made therefrom.

(2) Every State Board may expend such sums as it thinks fit for performing its functions under this Act and such sums shall be treated as expenditure payable out of the fund of that Board.

(3) Nothing in this section shall apply to any ²⁵[State Board for the Prevention and Control of Water Pollution] constituted under section 4 of the Water (Prevention and Control of Pollution) Act, 1974, which is empowered by that Act to expend money from its fund thereunder also for performing its functions under any law for the time being in force relating to the prevention, control or abatement of air pollution.

26[33A. Borrowing powers of Board.

A Board may, with the consent of, or in accordance with the terms of any general or special authority given to it by, the Central Government or, as

the case may be, the State Government, borrow money from any source by way of loans or issue of bonds, debentures or such other instruments, as it may deem fit, for discharging all or any of its functions under this Act.]

34. Buduct.

The Central Board or as the case may be the State Board shall, during each financial year, prepare, in such form and at such time as may be prescribed, a budget in respect of the financial year next ensuing showing the estimated receipt and expenditure under this Act, and copies thereof shall be forwarded to the Central Government or, as the case may be, the State Government.

27[35. Annual report.

(1) The Central Board shall, during each financial year, prepare, in such form as may be prescribed, an annual report giving full account of its activities under this Act during the previous financial year and copies thereof shall be forwarded to the Central Government within four months from the last date of the previous financial year and that Government shall cause every such report to be laid before both Houses of Parliament within nine months of the last date of the previous financial year.

(2) Every State Board shall, during each financial year, prepare, in such form as may be prescribed, an annual report giving full account of its activities under this Act during the previous financial year and copies thereof shall be forwarded to the State Government within four months from the last date of the previous financial year and that Government shall cause every such report to be laid before the State Legislature within a period of nine months from the date of the previous financial year.)

36. Accounts and audit.

(1) Every Board shall, in relation to its functions under this Act, maintain proper accounts and other relevant records and prepare an annual statement of accounts in such form as may be prescribed by the Central Government or, as the case may be, the State Government.

(2) The accounts of the Board shall be audited by an auditor duly qualified to act as an auditor of companies under section 226 of the Companies Act, 1956.

(3) The said auditor shall be appointed by the Central Government or, as the case may be, the State Government on the advice of the Comptroller and Auditor General of India.

(4) Every auditor appointed to audit the accounts of the Board under this Act shall have the right to demand the production of books, accounts, connected vouchers and other documents and papers and to inspect any of the offices of the Board.

(5) Every such auditor shall send a copy of his report together with an audited copy of the accounts to the Central Government or, as the case may be, the State Government.

(6) The Central Government shall, as soon as may be after the receipt of the audit report under sub-section (5), cause the same to be laid before both Houses of Parliament.

(7) The State Government shall, as soon as may be after the receipt of the audit report under sub-section (5), cause the same to be laid before the State Legislature.

CHAPTER VI PENALTIES AND PROCEDURE

CHAPTER VII MISCELLANEOUS

47. Power of Central Government to supersede State Board,

(1) If at any time the State Government is of opinion-

- (a) that a State Board constituted under this Act has persistently made default in the performance of the functions imposed on it by or under this Act, or
- (b) that circumstances exist which render it necessary in the public interest so to do,

the State Government may, by notification in the Official Gazette, supersede the State Board for such period, not exceeding six months, as may be specified in the notification:

Provided that before issuing a notification under this sub-section for the reasons mentioned in clause (a), the State Government shall give a reasonable opportunity to the State Board to show cause why it should not be superseded and shall consider the explanations and objections, if any, of the State Board.

(2) Upon the publication of a notification under sub-section (1) superseding the State Board, -

- (a) all the members shall, as from the date of supersession, vacate their offices as such;
- (b) all the powers, functions and duties which may, by or under this Act, be exercised, performed or discharged by the State Board shall, until the State Board is reconstituted under sub-section (3), be exercised, performed or discharged by such person or persons as the State Government may direct. -,
- (c) all property owned or controlled by the State Board shall, until the Board is reconstituted under sub-section (3), vest in the State Government.

(3) On the expiration of the period of supersession specified in the notification issued under sub-section (1), the State Government may-

- (a) extend the period of supersession for such further term, not exceeding six months, as it may consider necessary; or
- (b) reconstitute the State Board by a fresh nomination or appointment as the case may be, and in such case any person who vacated his office under clause (a) of sub-section (2) shall also be eligible for nomination or appointment.

Provided that the State Government may at any time before the expiration of the period of supersession on whether originally specified under sub-section (1) or as extended under this sub-section, take action under clause (b) of this sub-section.

48. Special provision in the case of supersession of the Central Board or the State Boards constituted under the Water (Prevention and Control of Pollution) Act, 1974.

Where the Central Board or any State Board constituted under the Water (Prevention and Control of Pollution) Act, 1974 (Act 6 of 1974), is superseded by the Central Government or the State Government, as the case may be, under that Act, all the powers, functions and duties of the Central Board or such State Board under this Act shall be exercised, performed or discharged during the period of such supersession by the person or persons, exercising, preforming or discharging the powers, functions and duties of the Central Board or such State Board under the Water (Prevention and Control of Pollution) Act, 1974, during such period.

49. Dissolution of State Boards constituted under the Act

(1) As and when the Water (Prevention and Control of Pollution) Act, 1974 (Act 6 of 1974), comes into force in any State and the State Government constitutes a [State Board for the Prevention and Control of Water Pollution] under that Act, the State Board constituted by the State Government under this Act shall stand dissolved and the Board first-mentioned shall exercise the powers and perform the functions of the Board second-mentioned in that State,

(2) On the dissolution of the State Board constituted under this Act, -

- (a) all the members shall vacate their offices as such;
- (b) all moneys and other property of whatever kind (including the fund of the State Board) owned by, or vested in, the State Board, immediately before such dissolution, shall stand transferred to and vest in the ³²[State Board for the Prevention and Control of Water Pollution];
- (c) every officer and other employee serving under the State, Board immediately before such dissolution shall be transferred to and become an officer or other employee of the [State Board for the Prevention and Control of Water Pollution] and hold office by the same tenure and at the same remuneration and on the same terms and conditions of service as he would have held the same if the State Board constituted under this Act had not been dissolved and shall continue to do so unless and until such tenure, remuneration and conditions of service are duly altered by the ³³[State Board for the Prevention and Control of Water Pollution] :

Provided that the tenure, remuneration and terms and conditions of service of any such officer or other employee shall not be altered to his disadvantage without the previous sanction of the State Government;

(d) all liabilities obligations of the State Board of whatever kind, immediately before such dissolution, shall be deemed to be the liabilities or obligations, as the case may be, of the [State Board for the Prevention and Control of Water Pollution] and any proceeding or cause of action, pending or existing immediately before such dissolution by or against the State Board constituted under this Act in relation to such liability or obligation may be continued and enforced by or against the [State Board for the Prevention and Control of Water Pollution.]
